# BUYAMIA'S IMPACT:

## Your Purchases, Our Purpose \*The Buyamia Impact Program

Our mission is that every container sold or equivalent sales volume triggers our commitment to impactful community support across Indonesia. Here's how your business with us makes a difference:

### Feeding Families

We partner with Scholars Of Sustenance to provide six months of meals to a family of four, ensuring that your transactions help nourish those in need.

### Clean Water Access

In collaboration with Terra Water Filter, we ensure access to safe drinking water for families, promoting health and wellness within our reach.

### Empowering Education

Through Jalinmimpi, we donate essential reading and school supplies to underprivileged children, supporting education and opening doors to brighter futures.

### Supporting Basic Needs

We also contribute \$250 towards essential utilities for families, enhancing their access to electricity and the internet, and empowering them towards better living conditions.

# TOGETHER, WE CREATE CHANGE\*

Your choice to partner with Buyamia isn't just a business decision—it's a step towards making a tangible difference in the lives of many. Each transaction's journey with us contributes to a legacy of positive impact, enriching lives one at a time.
